How it works

Connect with our doctors right from your phone, tablet, or computer on demand or by appointment – 365 days a year, 24/7. Through live video, our hand-picked doctors review symptoms and medications, perform an exam, and may recommend treatment, including prescriptions and lab work.

How we can help

Our board-certified doctors treat a wide variety of health conditions, including:

- Cold & Flu
- UTIs
- Heartburn & Indigestion
- Eczema & Acne
- Prescription Refills*
- Pink Eye & more

What it costs

EPO/PPO: \$20 copay.
The same as a Primary Care Physician visit.

HSA: \$49.
Less than a visit to
an Urgent Care or the ER.
