Employee Assistance Program- Training for Managers/Supervisors

ANNOUNCEMENT

Benefit Options Wellness is looking for agencies interested in hosting an Employee Assistance Program (EAP) training in late November through December. The training is targeted for supervisors and managers. It is a free, one hour orientation course lead by ComPsych trainers. Attendees will learn about the valuable EAP services available to State employees and how to support employees in need.

These trainings can be incorporated into a regular manager's meeting or can be done as a lunch and learn session.

If you are interested in scheduling a manager/supervisor EAP training at your agency, please email andrea.cline@azdoa.gov by *Thursday, 10/24/11*.

Please note: Benefit Options Wellness and the ADOA ComPsych contract covers all agencies, boards, and commissions except; ADE, ADOT, DPS, DOC, and the Universities.
