Women's Health Week

ANNOUNCEMENT

The Departments of Administration and Health Services have partnered to organize the 2013 Women's Health Week recognition for State of Arizona employees. During the Week of May 14th through May 16th there will be health expos, health screenings, and educational speakers at the State Capitol and all employees are invited to attend. Expos will be held 10am to 2pm at the State Capitol building on May 14th and 15th. Presentations on women's health specific topics will be given each day. Then, to end the week, on Thursday a Celebration Walk has been organized that will start in Wesley Bolin and make a loop around the Capitol.

Please share this information with employees at your agency. To access the event flyer with additional details, go to the Benefit Services Website and click the spotlight photo. The flyer can also be accessed by clicking on the Wellness & EAP link in the left menu column on the Benefit Services Website.
